

# Claims

- [c1] 1. A case for carrying and storing circular saw blades, comprising:  
at least two storage trays;  
inserts, within said at least two storage trays; and  
wherein said inserts alter the diameter of said at least two storage trays.
- [c2] 2. The case of claim 1, further comprising a pivot pin in communication  
with said at least two storage trays.
- [c3] 3. The case of claim 2, wherein said pivot pin is positioned along the circumference of each of said at least two storage trays.
- [c4] 4. The case of claim 1, further comprising a drawer pull mechanism in communication with said at least two storage trays.
- [c5] 5. The case of claim 1, further comprising a latching mechanism in communication with said at least two storage trays.
- [c6] 6. The case of claim 1, wherein said inserts alter the inte-

rior diameter of said at least two storage trays.

- [c7] 7. The case of claim 1, further comprising a handle in communication with said at least two storage trays.
